

# RINGCENTRAL APP

All your communications in one place.

Work from anywhere with the RingCentral app. It's got everything you need to stay connected: team messaging, video meetings, and phone—all in one app.

## KEY FEATURES AND BENEFITS

### Easy to use

- Messaging, video, and phone all in one place.
- Switch calls and meetings between mobile and desktop.
- Available via browser—no download needed.

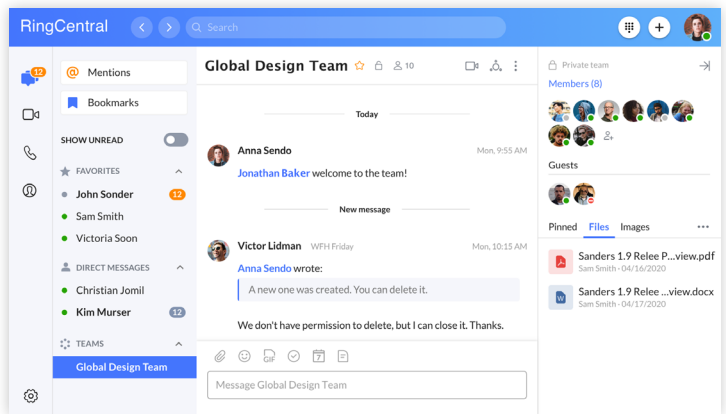

### More productive

- Access files and links before, during, and after meetings.
- Advanced keyword search with filters.
- Auto busy status for calls and meetings.

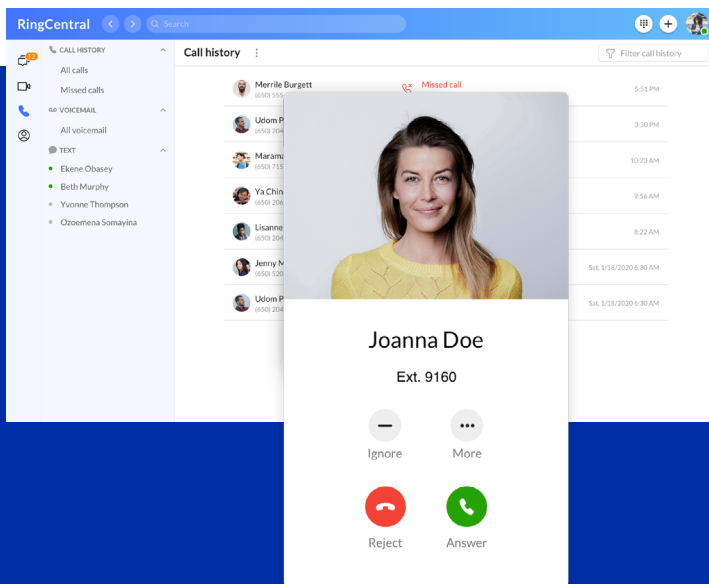

## MESSAGE

- Message colleagues and clients from your PC or mobile device.
- Create teams around projects, specific topics, and departments.
- Share links and files with no size or storage limits.
- Assign tasks to individual or project teams.
- Invite guest users to teams and chats for free.
- Set a custom status to indicate your availability.

## VIDEO

- HD video meetings with one-click host, schedule, or join.
- Join audio through your computer or dial in using local and global numbers.
- Share screens for real-time collaboration.
- Manage meetings with host and attendee features.
- Integrate with Office 365 and Google Calendar.
- Record meetings in the cloud and access from anywhere.

## PHONE

- Use one business phone number for calling, SMS, and fax.
- Make and receive calls with your carrier minutes, Wi-Fi, or cellular data.
- Customize settings and notifications such as office hours.
- Route incoming calls efficiently with a multi-level auto attendant.
- Access advanced call options like Call Park, Call Flip, and more.
- Stay connected during outages with reliable and high-quality phone service.
